MAHINDRA CONTRACTED SERVICES

Dependable support.
Consistent performance.
Reduced downtime.

At GCC Olayan, our Mahindra contracted services are designed to support the long-term performance of pickup fleets operating in demanding conditions. Through structured maintenance and service agreements, we provide reliable support backed by trained technicians and genuine Mahindra parts.

Our approach focuses on preventive maintenance and fast response to keep your vehicles operating efficiently.

SERVICE OVERVIEW AND PLANNED SUPPORT

Maintenance Contracts

Mahindra contracted services are offered through structured agreements designed to suit fleet size, usage, and operating conditions.

Available options include maintenance-only coverage and extended warranty programs.

What's included:

- Scheduled maintenance and inspections
- Trained Mahindra technician support
- Genuine Mahindra parts
- GCC Olayan service network

Your Benefit:

- Predictable maintenance planning
- Improved vehicle reliability
- Reduced unexpected downtime

Technician at Customer Site

Qualified technicians can be deployed at your premises to support inspections, routine maintenance, and repair activities under a contracted service agreement.

Your Benefit:

Faster response and consistent maintenance quality for your fleet.

SERVICE DELIVERY SOLUTIONS

Mobile Service and Repairs

Mobile service units provide on-site maintenance and small-to-medium repairs directly at your operating location.

Your Benefit:

Reduced downtime and minimized vehicle movement.

Customer Workshop Service
On-site support solutions can be implemented at remote locations to assist with fleet maintenance activities.

Your Benefit:

Improved service access and reduced operational delays.

Preventive Maintenance Support

Planned preventive maintenance services help maintain vehicle reliability and performance under demanding operating conditions.

Your Benefit:

Extended vehicle life and improved fleet availability

PARTS SOLUTIONS

Parts Packages

Pre-defined Mahindra parts packages are designed for common maintenance tasks and service intervals.

Your Benefit:

Simplified ordering and faster maintenance execution.

Parts Plans

Parts plans support contracted customers by aligning parts supply with scheduled maintenance requirements.

Your Benefit:

Improved parts availability and better planning.

Parts on Consignment

Essential Mahindra parts can be stocked at your location and consumed as needed.

Your Benefit:

Immediate access to parts while reducing inventory holding.
